LOCAL INFORMATION

KIAWAH ISLAND GOLF RESORT

This meeting will take place from June 5-7, 2015 at the Kiawah Island Golf Resort in Kiawah Island, South Carolina (for resort specific questions please call 800.576.1570)

KIAWAH ISLAND, SOUTH CAROLINA

With 10 miles of undisturbed Atlantic beach and five world-renowned golf courses, including serving as host to the 2012 PGA Championship, it's no wonder so many visitors come to Kiawah (pronounced KEE-a-wah) Island and decide to make it their home. Only 21 miles from historic Charleston, much of Kiawah Island, South Carolina is privately owned, but visitors are welcome! Come stay at the award-winning Sanctuary Hotel, or opt for one of the home or villa rentals.

If you're looking for the finest recreation, shopping and dining in South Carolina, Kiawah Island is a good place to start. Canoe through marsh-lined creeks and waterways or play tennis at the two Kiawah tennis centers, ranked among the top 50 tennis resorts in the U.S.

With great restaurants at the island's resorts, special children's programs, as well as great shopping and dining options at Fresh fields Village, Kiawah Island, South Carolina is a perfect choice for family vacations.

Kiawah is widely recognized as one of the best beaches in SC - or anywhere, for that matter. Bride's Magazine named the Charleston area, highlighting Kiawah Island, as one of the world's best honeymoon destinations. National Geographic Traveler called Kiawah the "Second Most Romantic Beach in America," the Travel Channel honored the island as one of the "Top 10 Beaches for Families."

Named for an Indian tribe that throughout the 1600s inhabited this area of South Carolina, Kiawah Island was granted to George Raynor, a supposed pirate, in 1699. The island was handed down through two different families for the next 250 years until 1951, when it was bought, then sold again to a real estate developer who began developing the island into a world class resort with one of the best beaches in South Carolina.

IMPACT YOU WANT, BUDGET YOU NEED

For more than a decade, the Georgia, North Carolina, and South Carolina Chapters of the American College of Emergency Physicians have individually gathered Emergency Physicians and associated professionals for educational meetings. In 2013, they have joined together to form the Coastal Emergency Medicine Conference. From the success of last year we found that for you, it means access to target audiences from 14 states, all gathered in an intimate environment, where your efforts and your marketing dollars can generate leads, business, and ultimately *the IMPACT on emergency medicine that you want for your company.*
